Primary Music Making

‘I Got Rhythm’
This resource is a fun and engaging way for children to learn how to read and create their own series of rhythm patterns starting through shapes and playing using body percussion which leads on to using drumsticks for chair drumming activities.
I am learning to:

• play on the beat
• handle and play untuned percussion
• play simple rhythm patterns
Say the name of each shape following the arrows
Say the colour of each shape following the arrows
Say and clap the name of each shape.
Choose an untuned percussion instrument *e.g.* claves (tap both sticks together)
Say and...
Say and.....
Listen to this track of music.

Can you feel the beat?

Keep the beat by tapping your leg.
